The meeting occurs on October 19, 2023 at 12.15 in Teams. The applications received for the 3rd *Call for application - Italy IEEE PES Italy Scholarship Award* are examined.

Applications received by 22 September 2023 are **6**.

The Commission verifies the regularity of the applications submitted by the candidates with the following criteria:

- Review of the evaluation parameters;
- Verification of the candidate's participation requirements;
- Comparative assessment of the submitted applications by the candidates;
- Identifying suitable candidates by setting up a downward grading list.

At the end of the comparative assessment of candidates, the Commission identifies the following ranking of merit:

| # | Nome del candidato | Punteggio |
|---|---------------------------|-----------|
| 1 | Claudia De Pasquale | 85 |
| 2 | Ahmed Hassan | 78 |
| 3 | Henok Niguse Habtgebriel | 76 |
| 4 | Sefain Emad Benito Nassif | 74 |
| 5 | Roqayeh Mohammadi | 65 |
| 6 | Samed Celik | 60 |

The final score is calculated as average of these three parameters:

- Grade Point Average
- "Your Interests" (*Maximum score of 30*)
- "Your Activities" (*Maximum score of 30*)

Therefore the commission declares the winner of the 3rd Call for Application - the IEEE PES Italy Scholarship Award:

1. Claudia De Pasquale
